The Irresistible Classroom - Creating Excellence in Early Years Early Years Job Alike Workshop

24 & 25 March 2017

Hosted by Tanglin Trust School Singapore

During the Job Alike Workshop (JAWs) there will be an opportunity to network with teachers from other FOBISIA schools to share effective practice within the Early Years and how this is being developed in their schools.

There is an expectation that all attendees actively participate throughout the two days and so the full agenda will be completed once all of the participants are registered. Possible themes could include:

- The story behind the learning environment
- The 'Nuts & Bolts' - Assessment & Planning
- Children's ownership of their learning
- Challenges & Problem Solving
- Making the Characteristics of Effective Learning visible
- 'Process not product'
- A mindful classroom

Other suggestions are welcomed!
