During the Job Alike Workshop (JAWS) there will be an opportunity to network with teachers from other FOBISIA schools to share good practice within the Primary age range and how this is being developed in their schools.

There is an expectation that all attendees actively participate throughout the two days and so the full agenda will be completed once all of the participants are registered. Possible discussion areas, workshops or presentations could include:

- A whole school approach to developing a love of reading
- Guided & Reciprocal Reading
- Planning text-based English units
- Engaging comprehension activities
- Drama techniques as a comprehension strategy
- Developing reading/book corners
- Making class books
- Effective use of the school library

Other suggestions are welcomed!
