

Education for Sustainability JAWS
Jerudong International School, Brunei
Friday 20th and Saturday 21st January 2017

This Job Alike Workshop is an opportunity to share best practice in developing sustainable schools. It is for FOBISIA school environmental education coordinators, sustainability practitioners, teachers and school leaders interested in sharing and developing new sustainable schools initiatives. All participants will be actively engaged in creating the agenda to ensure that the two day event meets the needs and wishes of those attending. All sessions will be delivered by those participating in the workshop.

Some initial ideas for session topics are listed below:

Cross-Curricular focus:

- To raise awareness about opportunities available for Education for Sustainable Development (ESD)
- To share examples of good practice
- To encourage long term networking between ESD practitioners

Potential Workshops on:-

- Introduction to ESD
- ESD as a vehicle for encouraging cross-curricular links within a school
- Utilising school grounds as an ESD resource
- ESD and student service opportunities
- ESD as a platform for achieving whole school goals
- Establishing links with local NGOs / Government Departments
- Eco-School Awards
- Opportunities for engaging in ESD on a global level

The above sessions are merely suggestions and may be adapted or dropped according to the wishes of those involved. It is hoped that the agenda will evolve based on the experience and interests of those attending. A Google Drive Folder will be shared with all delegates to build the agenda collaboratively as well as sharing resources in the run up to this event.
