Science JAWS

Where?
Garden International School, Kuala Lumpur

When?
Friday 24th- Saturday 25th February 2017
(8.00- 4pm Fri, 8.30- 12pm Sat)

JAWS Focus:
Innovative Teaching and Learning Strategies in Science

This JAWS will be an opportunity for Science leaders and teachers to get together to discuss and share good practice and current thinking in Science.

Delegates are invited to bring examples of their own work and ideas to share in a host of workshops across the two days. Workshops will involve an element of presenting and group discussion and should vary between 30-45 minutes. Delegates may choose their workshop topic/ title but can also use the following suggestions as a focus:

- Supporting EAL learners in Science
- Effective reflection on assessment
- Using data to promote progress
- Strategies to demonstrate student progress
- Science enrichment
- How to stretch and challenge more able learners
- Promoting a student-led classroom

To register for the event, please fill in the google form [HERE](#).

Deadline: Friday 11th November 2016

There is potential for practical based workshops in the laboratories on the Saturday if desired. Once we have an idea of numbers attending, we shall share a more detailed course structure for the two days.
The registration fee for this JAWS will be **RM200**. The fee will include lunches, tea breaks, transport to and from the hotel plus relevant resources. Please send an email to ng.beeee@gardenschool.edu.my (Ms. Bee Ee) in order to receive an invoice from our finance department for the RM400 course fee.

The suggested hotel for accommodation is **The Boulevard At St. Giles Hotel, Mid Valley City**. Please book directly via the hotel. Kindly contact resvnblv@stgiles-hotels.com and CC in perry.salesblv@stgiles-hotels.com to book your accommodation.

There will be an optional social evening/dinner at Alexis Bistro & Bar, Gardens Mall on Friday 24th at the attendees’ own expense.

For more information, please contact Rebecca Taylor, Head of Science: taylor.r@gardenschool.edu.my or Vashina Patel, Professional Development Coordinator : vashina.a@gardenschool.edu.my
