

Safeguarding JAWS

Dulwich College Seoul –10th and 11th of March 2017

This is an opportunity for colleagues with a responsibility for (or an interest in) Safeguarding to come together to share best practice.

Explore important aspects of Safeguarding including (but not limited to) child protection policies and procedures, site security, e-safety, staff, parent and volunteer training, safer recruitment, mapping local resources and empowering and involving students in the process.

During the JAWS there will be an opportunity to network with other Safeguarding Leads and to share effective practice through Job Alike Workshops.

Registration:

Please complete the registration form on the google document below. Deadline for registration: Friday 10th February.
