Inclusion & Psychology JAWS

Fri, March 9th
- Sat, March
10th 2018

Meeting the needs of a community in an inclusive setting

This JAWS will be an opportunity for LS and EAL practitioners, Counsellors and Educational Psychologists to get together and share good practice and current thinking around Inclusion

OUR

Overarching Themes

- * Strategies to enable success in an inclusive classroom
- * Fostering collaborative partnerships for whole school community learning
- * Inclusion initiatives to promote wellbeing in our international student population
- * Supporting transitional needs in a diverse community

Workshops will involve an element of presenting and group discussion and should vary between 45 -60 minutes. Delegates may choose their workshop topic title but can also use the overarching themes as a focus.

Cost: RM220 & includes lunch, tea breaks & transport to and from the hotel
