

2020-2021 RMS/RHS Handbook Supplement

For student safety some adjustments are being made to the student handbook for the 2020-2021 school year due to COVID-19. The policies and procedures identified in this supplement will override what is written in the handbook.

- The daily schedule will be modified to accommodate passing times, breakfast, and lunch.
- Backpacks will be allowed in classrooms. Hall lockers will be available for student use before and after school.
- Parking permit fees will be waived for the first trimester.
- Masks will be treated as part of the dress code policy.
 - **Mask Usage**
In accordance with Emergency Executive Order 20-81, students will be required to wear masks while at school. If you are unable to tolerate a face covering due to a medical condition or disability related condition you may be permitted to utilize alternative options such as a face shield or other reasonable accommodation. Please submit a doctor's note stating the reason you are unable to wear a mask to your building's principal.
- Students will not be required to have a pass to use the restroom during class, but will need a paper pass for the nurse, office, or counseling office. Permanent passes in classrooms will not be used.
- Other procedures in the ROCORI School District restart blueprint.
