Dear Parent or Guardian:

The Watchung Hills Regional High School District is proud to publicize the achievements of its students in the local media and school district publications. Throughout the school year, we have many opportunities to submit student names and photographs of students in the classroom, at special events, on stage, and on athletic fields.

Though our intent is to celebrate our students' accomplishments and inform the community, we respect each student's right to privacy. We are writing to give you the opportunity to exercise this right. Your signature at the bottom of this form will indicate your desire to have your child's name **excluded** from all public lists and recognitions and to have photographs withheld.

If you have any questions, please do not hesitate to call the main office. Thank you.

Sincerely,

A handwritten signature in blue ink, appearing to read 'WJL', written over a light blue horizontal line.
