Dear HBA Alumni,

Here in our islands, we're seeing glimmers of hope. In the past week, the new number of COVID-19 cases has greatly declined, however, there is still a need to be cautious. In accordance with the city and county of Honolulu's stay-at-home mandate, which has been extended through the month of May, HBA has made the difficult decision to continue our online learning through the end of the 2019-2020 school year so that we can continue to do our part in the fight against COVID-19. Even though our campuses remain closed, our learning continues as does our mission to share the good news of Jesus Christ with each student and their families. We encourage you to [visit our website](#) and social media platforms to see how our teachers are continuing their lessons, and how our students are staying connected.

Scroll down for more important updates, and be sure to read about our alumni who are on the frontlines serving in the battle against COVID-19.

Mahalo nui for your continued support of our school through your faithful prayers and generous donations. We pray that you and your families remain safe and healthy as well.

Aloha,
