

Face Coverings at AOS

All students on campus, regardless of age, are required to wear masks at all times - indoors and outdoors - except while eating.

Acceptable face coverings at AOS include: surgical face masks, cloth face coverings, and unvented dust face masks. Masks must cover mouth and nose at all times.

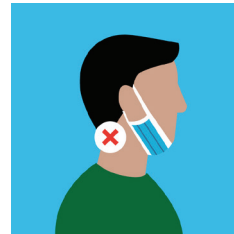

Face shields are only allowed when worn over a permitted face covering.

Permitted

Unacceptable face coverings include: vented face masks, full-face coverings, respirators and ski masks, Balaclavas, or neck gaiters. The administration reserves the right to ask a student to remove their mask and provide an appropriate one. Students must be identifiable in their appropriate face covering.

Face coverings should not be worn under the nose, around the neck, or over the forehead.

Not Permitted
