Treasurer’s Written Report

The PTA bylaws should provide that the treasurer report regularly to the association. The treasurer’s written report should indicate what period of the fiscal year the report covers, the date it was prepared, and who prepared it. (See a sample monthly treasurer’s report) The report should not be adopted, but filed in the treasurer’s file.

These reports should be given to the auditor or auditing committee during the auditing process. The auditing committee should report to the association at such times as the bylaws require. Usually, an audit occurs annually at the end of the fiscal year and before a new treasurer takes office.

Treasurer’s Annual Report

At the close of the PTA’s fiscal year, the treasurer should close the financial records and prepare an annual financial report covering the entire fiscal year. The treasurer should give a preliminary annual report to the membership at the annual meeting. This report is for information only and is not officially adopted; the report becomes official after the audit has been completed and the audit report is officially adopted by the membership. Thus, the adoption of the audit report will be done at the first business meeting of the new fiscal year. The bylaws should provide how the audit is to be made.

The treasurer’s annual report and the audit report are filed with the permanent financial records after the association has formally adopted the audit report. It is strongly recommended that a financial management checklist be filed with the annual financial reports.
