

Including the Whole Child

FOBISIA
JAWS

Discovery Bay International School invites

Class Teachers, SEN Specialists and School Leaders to explore research, initiatives and strategies linked to the inclusion of learners with a diverse range of social, emotional, communicative and behavioural needs.

Focus Areas:

- EAL
- ADHD
- Dyslexia
- Sensory Needs
- Autistic Spectrum
- Emotional Wellbeing
- Executive Functioning
- Challenging Behaviours

Event Details:

Discounted accommodation for delegates is available at The Auberge Hotel.

Delegates are invited to share their practice in the form of a 45 minute workshop.

An optional social and sightseeing programme around Hong Kong has been organised.

For more information, please contact:

Carol Chapman, Head of Inclusion
