Please do not book flights or accommodation until we confirm that there are enough participants registered to proceed.

**Harrow workshops offered:**

- Bridging the gap between EYFS and Year One
- Stretching the Higher Ability
- Reasoning

During the Job Alike Workshop (JAWS) there will be an opportunity to network with teachers from other FOBISIA schools to share good practice within the primary age range and how this is being developed in their schools.

There is an expectation that all attendees actively participate throughout the two days and so the full agenda will be completed once all the participants are registered. Possible discussion areas, workshops or presentations could include:

- Mental Fluency- beyond recall
- Real Life, Practical Problem Solving
- Mathematical Vocabulary in the ESL Classroom
- Fractions 3 Ways (fluency, reasoning and problem solving).
- Geometry 3 Ways (fluency, reasoning and problem solving).

We look forward to seeing you there!
