

Talented

DISCOVERY BAY
INTERNATIONAL SCHOOL

FBISIA
ESTABLISHED IN 1988

Maths JAWS

Discovery Bay International School invites:

Primary Teachers, Secondary Maths Teachers and Maths Curriculum Leaders to explore research, initiatives and strategies linked to supporting the learning and teaching of mathematics through mastery, enrichment and challenge.

Suggested Focus Areas:

- Maths Mastery in the Primary Classroom
- Challenge & Enrichment
- Concept based enquiry in Secondary maths
- Developing Mathematical Mindsets
- Evidencing Higher Order Thinking Skills in Maths (*workshop to share ideas*)

Event Details:

We suggest delegates stay at the [Auberge Hotel](#) in Discovery Bay due to its proximity.

Delegates are invited to share their practice in the form of a 45 minute workshop or presentation, with either a Primary, Secondary or Whole School approach.

The cost of the event will be \$450 HKD (approx \$60 USD)

For more information, please contact:

Alex Hughes, Maths Curriculum Leader, ahughes@dbis.edu.hk

Susan Walter, Head of Primary, swalter@dbis.edu.hk
