

MATHS IN SECONDARY SCHOOL JAWS 2019

Jerudong International School, Brunei

Friday 3rd-4th May 2019

This Job Alike Workshop will be an opportunity for Maths teachers across the region to get together to share great practice about teaching and learning in Maths. All participants will be engaged in creating the agenda to ensure that the two day workshop meets the needs of all attendees. A few suggested session ideas could be:

1. Current evidence based practice and what this looks like in the classroom
2. Developing high quality examples and questions that challenge all learners
3. How rich tasks can work alongside cognitive load theory
4. The new IB curriculum:
 - a. New topics and how to teach them
 - b. Structuring the course
 - c. What does excellence look like?
 - d. Paper 3
5. The new A level curriculum:
 - a. The emphasis on applications and modelling
 - b. The use of technology in class and in exams
6. Maths games and how to use them in class

The sessions above are merely suggestions and we hope that the timetable will develop depending on the interests and experiences of those attending.

Please fill in [this form](#) to register for this event by the 3rd April.

The **fee** for attending will be **\$80BND**. The fee will include lunch, transport to and from the hotel plus relevant resources. Suggested accommodation for the event is the **Radisson Hotel**. The rate per night is approximately **\$150 BND+10% tax**.

To contact the hotel please email reservations.brunei@radisson.com.

Please do not book flights until the event is confirmed.

Any further enquiries please email rebecca.baker@jis.edu.bn

Kind regards

Rebecca Baker
Head of Maths Faculty
