

FOBISIA JAWS: Teaching Excellence in Computer Science and ICT

Where and when:

Date : 8th and 9th of March

Location: Sri KDU International School, Kuala Lumpur, Malaysia

Contact:

Jonathan Molson, Head of Computing, j.molson@sridku.edu.my

Programme:

There is an expectation that all attendees actively participate throughout the two days and so the full agenda will be completed once all of the delegates are registered. Likewise, once there is a final list, all participants will be contacted and given the opportunity to lead certain workshop sessions. Possible themes, across the two days, will include:

- Physical Computing (Arduino).
- Diagnostic questioning and formative assessment.
- How do we teach our students to be great problem solvers?
- Which programming language is right for our students?
- How can we get more girls to take Computer Science?

Logistics:

Accommodation:

The recommended hotel is The Royal Chulan Damansara, which is a short distance from the school. The website for booking reservations can be found [here](#).

Transport:

This will be provided between the hotel and the school, daily. We do not provide airport transfers.

Registration:

Please complete this [Google form](#) to register. Deadline for registration is Friday 25th January.

Cost:

MYR 250, to be paid in cash upon arrival.

Timings:

Day 1: 9:00am – 4:00pm (Social Event in Evening) Day 2: 9:00am – 2:30pm
