Design Technology JAWs

Alice Smith School, Secondary Campus

Friday 3rd May 2019 • 8.00am - 4.00pm

Saturday 4th May 2019 • 9.00am - 1.00pm

Design Technology JAWs Focus:

Delegates are invited to bring examples of their own work and ideas to share in a host of workshops across two days. Workshops could involve an element of presenting, group discussions and practical exploration. They should vary between 30 - 60 minutes. Delegates may choose their own workshop topic/titles but could focus on some of the areas below:

- Using CAD/CAM in KS3
- How to maximise your grades at GCSE and A Level
- How to nurture independence in your students
- How to manage your workshops and technicians
- How to bring theory into KS3
- Sourcing materials overseas
- Assuring health and safety regulations are met in an overseas school

Early bird **RM170 per person**

[Book here](#) before 2nd March 2019

Normal price **RM220 per person**

(Final confirmed bookings to be made [here](#) by 2nd April 2019)

This will include lunches, tea breaks, transport to and from the recommended hotel, plus relevant resources.

Invoices will be issued two weeks before the JAWs commences.

Attendees will need to book their own accommodation, if needed. Our recommendation is the Boulevard Hotel, approximately 25 minutes from the school. Further details of promotional rates and booking form can be found [here](#).

Please contact Penny Gosling, Head of DT: pgosling.ep@alice-smith.edu.my for further information.

An outstanding British education for a successful international *future*. For *students*... not for profit.
