

# LEARNING THROUGH PLAY

## But what about the rigour?

In this JAWS, hosted by Garden International School, Kuala Lumpur, participants will lead or share in discussions around the following themes:

- Facilitating play & the role of the adult
- Continuous and enhanced learning provision: creating an effective learning environment
- Engaging the child through play : tapping in on interests and natural curiosity
- Providing challenge in play
- Assessment of play-based learning : Purposeful planning and skills progression
- Play in the outdoors : promoting calculated risks
- Developing Communication and Language through play
- Play-based learning to support effective transition

Date: 14th & 15th February 2020
