- Grade level teachers will be there on their designated nights to meet families. (i.e. 1st grade teachers will be present on Monday, August 31st) If you have multiple Carnegie students and you are unable to attend multiple evenings, feel free to select the one that matches your availability.
- Please drive through our West parking lot to pick the items up and meet your child’s teacher. Grade level teachers will be passing items out and greeting your family. We ask that families do not exit their vehicles (only exception would be the student briefly exiting the car for a quick picture with their teacher). We will have extra staff on hand to ensure safety for this photo op.
- All safety protocols will be in place: wearing masks, social distancing and contactless delivery of items (placing items in the back of your car through the trunk).
If you purchased the school supply bundles, we will distribute those to families as well. If you did not, no worries. I’m attaching the school supply lists for items to bring to school, once we’re able to return to in-person or hybrid at some point.
