Insurance Options:

Families may wish to protect against liability for lost, damaged or stolen property by reviewing their insurance options. Some homeowner's policy may offer coverage and some may offer this coverage if a rider is acquired.

In addition, Lake Washington School District has arranged for an insurance option for families wishing to purchase a specific additional insurance to cover their student's laptop. This insurance can be purchased from Worth Insurance Group. The premium is **\$76.40 per year** and covers accidental damage and theft (police report required). The deductible in this policy is \$0. This insurance can be acquired directly by going to <https://www.worthavegroup.com/portal/lakewashington>. The company also offers coverage for other personal technology devices.

If you chose not to purchase the optional insurance or do not otherwise have coverage, you will be responsible for fees for damaged or lost/stolen equipment as defined above.

The entire student laptop handbook is available on the district website.
