August 26, 2020

Dear Parents,

**Welcome Back! We have been preparing all summer and are so happy to have our students back at Ironton Elementary.**

This year is going to be a unique one with many changes. We ask that you please be sure to read the weekly communications from the school on Wednesdays to keep up to date on important information throughout the school year, including health updates from our School Nurse, Ms. Wrobel.

Communication with the school and your child's teacher are going to be more important than ever. Please be sure to notify the office of any changes to your pick-up or drop-off routine by calling the school office at 610-351-5810 or emailing Mrs. Heater at [heaterc@parklandsd.org](mailto:heaterc@parklandsd.org).

**Don't forget to send your child to school with a mask every day.** We also suggest that they have a spare in their backpack. On the first day of school, all students will be given a breakaway lanyard to attach to their mask and wear throughout the day, preventing them from losing their mask or putting down on an unsanitary surface while eating or on a mask break.

Information will be emailed to parents about accessing our Virtual Open House on September 10<sup>th</sup>.

Together we will have an amazing year!

Sincerely,

*Robert Holmes*
