Your child will achieve their best in a quiet, comfortable, dedicated space devoted to learning. Ideally, this would be a different space than where they normally play games or watch television

**MAKE SPACE
FOR
LEARNING**

**CELEBRATE
THE VICTORIES**

New routines are not easy! Celebrate the successes that you are having.

**Parent Tips
for Distance
Learning
Success**

**SET CLEAR
EXPECTATIONS**

Build time into remote work day to assist with student's learning. Consider building in "office hours" into your schedule.

**TAKE
FREQUENT
BREAKS**

Make sure your children take plenty of breaks from computers in order to get away from screens.

**CREATE A
ROUTINE**

Create a daily schedule with your child's input. Post the schedule in a visible place.

**GIVE YOUR
CHILD CHOICES**

After you've developed a schedule with your child's input, work in ways to give your child some confidence and control—within reason.

TK/Kindergarten Material Distribution

When: Wednesday, August 26th, 2–3 p.m.

Food Distribution

- ❖ During full distance learning, the WUSD lunch program will (again) take place only at Dana Middle School between the hours of 11:30am to 1:00pm.
- ❖ This is a grab and go program only. Whereas last spring all students were given lunch at no cost, this school year students will be charge based on their status (free, reduced, full cost).
- ❖ **Cost per lunch:**
 - \$3.45 for TK–5

Never do anything for a child that they are perfectly capable of doing themselves. When you do, you rob them of the opportunity to feel competent. Feeling competent builds self-esteem.
