You could be part of a non-profit organization supporting all Northshore School District students and teachers, funding programs across the district that would not be available without your donations of time, talent, and treasure.

Dear Northshore Parent,

We’re your Northshore Schools Foundation, and for the past 25 years, we’ve been honored and humbled to work with parents, businesses, teachers and students to help make this district a place where each student can stretch, engage, and dive into deep learning. We’re still dreaming big about the future for Northshore students.

As we’ve all experienced, we can adapt to and make the best of unexpected circumstances when we support one another. The challenges of the public health emergency have strengthened our commitment to being an active part of a vibrant, connected community. The Foundation is listening and responding with support that is relevant to students across the district as they learn, connect and succeed, whether in the cloud or the classroom.

You can help. We can connect you. Please consider volunteering, joining a committee, or setting up a monthly gift. YOUR contributions make a difference. A gift of $50 or more during the month of September will help prepare the 23,000 students in our district to be future-ready, no matter what.

CONTRIBUTE TODAY!

NORTHSORE STUDENTS NEED YOU

Your philanthropy funds real needs for our students and teachers. Your donations stretch across the entire district to fund relevant resources that otherwise would not be available, especially now.

Your contributions during the month of September help prepare the 23,000 students in our district to be future-ready, no matter what. Teachers have identified needs and are requesting resources based on their experiences this spring when learning moved from the classroom to the cloud. Your gift could help keep elementary students engaged with at-home reading kits, support a middle-school coding program, or fund high school students’ first time visit to museums.

Every donation* makes a difference. Please add yours!
Give anytime, in any amount, through a secure, online portal at www.NorthshoreSchoolsFoundation.org or if you prefer to give by check, please download, print and return our form by mail!
*We are 501c3 eligible for matching funds and your workplace charitable giving campaigns.

GIVING OPTIONS

Please accept my gift in the amount of

☐ $50  ☐ $100  ☐ Other $__________

Give online at www.NorthshoreSchoolsFoundation.org or return by mail by September 30th.
