RE: State of Texas Assessment of Academic Readiness (STAAR) Grades 7
and 8

The Spring 2019 State of Texas Assessments of Academic Readiness (STAAR) Grades 7 and 8 state assessment final reports are attached. These are the combined April and May 2019 test results. The May 2019 reports just became available. The first three pages are an overview of the results. The pages that follow are the state provided May 2019 reports.

These final 7th and 8th grade STAAR results are very strong. These results include the South Texas Preparatory Academy (STPA) and the Rising Scholars Academy of South Texas (RSA) 7th graders who are completing 8th grade mathematics and the 8th grade STAAR mathematics. The junior high teams utilize formative assessment to refine the instruction for each student. The results demonstrate this focus on each student. The students, parents, and faculty at STPA and RSA continue to do an outstanding job!

Thank you.
