

Dennis M. and Lois A. Doyle Family Foundation Seedling Program

The Doyle Foundation Matching Gift Program has been established to raise awareness about the vital importance of building the scholarship endowment at St. Xavier High School by recognizing those who establish new endowed scholarship funds or expand existing ones at St. X.

Key Components of the Program

- An individual makes an initial gift of \$10,000 or more to establish or expand an endowed scholarship fund, plus agrees to make additional gifts of \$10,000 or more to the fund in each of the following three years (totaling at least \$40,000.)
- The benefactor also agrees to become a member of the Father Edward Wieber SJ Society and establish a legacy gift for St. Xavier in their estate of at least \$50,000. This amount, when eventually received by the school, will also be added to the benefactor's endowed scholarship fund.
- Upon receipt of the initial installment and simple documentation of a planned gift to St. Xavier, the Doyle Foundation contributes an additional \$10,000 to the individual's scholarship fund.
- Donors are matched with a particular student receiving aid equivalent to their gift, and are invited to meet their student at a reception in the fall.

**Make a positive impact on a young man's life today
by participating in the Doyle Family Foundation
Scholarship Matching Gift Program**

All funds contributed to your endowed scholarship will become part of the St. Xavier endowment fund. A portion of the income earned, as determined by the Board of Trustees, shall be utilized each year to fund a tuition assistance scholarship for one or more students.

For more information regarding the Doyle Foundation Matching Gift program or the St. Xavier Annual Fund, you can contact Tony Schad at Tschad@stxavier.org or by phone at 513-618-3228.
