Goal #1 7th grade students will increase their math proficiency as demonstrated by an average score increase of 2% from a pre-test common assessment given at the beginning of the school year to a post-test common assessment given at the end of first semester.

Goal #2 8th grade students will increase their math proficiency as demonstrated by an average score increase of 2% from a pre-test common assessment given at the beginning of the school year to a post-test common assessment given at the end of first semester.

Goal #3 Students identified as English Language Learners (ELL) in grades 7, 8, & 9 will increase their reading proficiency by an average of 2% as demonstrated by their Lexile scores from a baseline test administered at the beginning of the year to the same test given midyear.

Goal #4 75% of 8th grade students enrolled in Chinese Dual Language Immersion courses will show proficiency of Intermediate Mid in all areas (Reading, Speaking, and Writing) of the AAPPL test.

Goal #5 Improve sense of community and safety for students and staff by implementing SEL strategies as measured by the SEL Walkthrough Tool and a school-created survey.
