Dear Parent/Carer

Kineton High School - Physical Education Autumn Term 2020

The P.E department is looking forward to welcoming students to practical lessons in the new term again from September. As you will be aware, sport and physical education has been hugely affected by the pandemic. Please see below and read carefully the information and guidance that KHS PE department have provided for us to deliver the curriculum safely.

Kit expectations

For the first half term, on the day(s) your son/daughter has PE, kit should be worn to school with suitable leg covering (eg black tracksuit bottoms or leggings) if required. School blazer must be worn over the top. There will be no changing facilities available. It is therefore extremely important that students remember to wear their kit.

The normal kit policy will still be in place, and is as follows:

1st time forgetting kit - Warning

2nd time forgetting kit - Class teacher DT

3rd time forgetting kit - HOD detention

*If this continues students will be placed in detention after school on Fridays with a member of SLT.

If there are any issues with PE kit (lost/not clean etc.), please contact class teacher via email or note.

The only exception to the KHS PE kit is a light weight coat/rain jacket. This can only be worn on wet weather days. All PE kit is available online via the school website. If issues with supply/stock of kit, contact class teacher via email or note.

School bags / Valuables

PE staff will collect students from their classrooms in their year group zone. Students will leave all belongings in the room and staff will lock door. Changing rooms can be used for toilets and leaving clothing (e.g. tracksuit bottoms).

*A reminder that valuables are brought into school at owners' risk.

Hygiene

Students are advised to bring a spare PE top to school and the use of non-aerosol deodorants should they want to use them.

Curriculum

The curriculum has been designed following government, afPE and Sport England guidance. As well as initially incorporating curriculum content missed at the end of the last academic year due to lockdown. Our focus is to engage and challenge while following the guidance below:

- No contact sports
- Little or no equipment used – Only shared between bubbles (year groups/classes) - cleaned in between lessons/bubbles.
- Outdoor lessons when possible – if indoor spaces are used, the largest indoor spaces will be prioritised. When possible, we will minimise the number of students (keeping to bubbles).

Teacher Packs

All PE Teachers will have their own teaching packs, consisting of relevant and essential sports equipment, cleaning products and will be responsible for cleaning equipment between lessons.

Thank you in advance for your support.

Should you have any questions please Mr Grant - sgrant@kintonhighschool.org.uk or your class teacher:
