Introducing the all new Y LEARNING ACADEMY

As schools across the metro are offering virtual and remote learning options for the start of the school year, the Y is working with local districts to support you and your family.

Y Learning Academy will provide full-day, in-person support for children ages 5-12. Working with school district teaching partners, our Learning Coaches make sure students connect to their virtual classrooms and begin the daily assignments from their school, assist them as needed with their work, and deliver the Y's holistic youth development curriculum.

PROGRAM HIGHLIGHTS:

- Safe, WiFi-connected environment for students to complete school-assigned online instruction
- In-person education support and tutoring
- Daily or weekly support options to meet your child's personal learning needs and school schedule
- Can be combined with traditional before and after school care to support your family
- The cost will be approximately \$40-60 per day
- Health and safety protocols include face masks required for students and staff
