

**Coronavirus (COVID-19) school bus policy  
(to be read in conjunction with our school bus regulations)**

The school bus policy includes the measures we are actively taking to mitigate the spread of coronavirus. You are kindly requested to inform your children to follow all these rules to sustain a healthy and safe school bus service.

**Queueing and Boarding the bus**

- Students should queue and board within their bubbles and must maintain 2m distance from other bubbles when queueing and boarding
- Students must sit with other students from their bubble, and must sit apart from students not part of their bubble wherever possible. Siblings may sit together

**General rules for the children:**

- Hand sanitiser will be provided in the school bus. All children must use it upon boarding and disembarking
- All children have to wear a suitable face covering whilst queueing at the school bus and also in the bus. Please ensure your child knows how to correctly wear a face covering
- Children should avoid touching the face, particularly eyes, nose and mouth with their hands to prevent from getting infected
- No eating or drinking on the bus is allowed

**Additional measures implemented by the school bus companies:**

- The bus drivers will always wear a face mask
- There will be a separate hand sanitiser for the driver
- Hard surfaces will be cleaned and disinfected throughout the day
