SBISD is implementing its LearnSBISD plan, which includes both distance learning and in-person learning options. LearnSBISD also includes health and safety protocols to help reduce the spread of COVID-19. However, due to the nature of the COVID-19 pandemic, SBISD cannot eliminate the risks associated with COVID-19. This form serves as an acknowledgement that you selected distance learning for your child, but also selected for your child to attend any before, during, or after school in-person activities, such as cocurricular or extracurricular activities and that you understand that there is a health risk associated with attending in-person activities.
