## Helping Hands

Dear Parent/Guardian:

The Holiday season is fast approaching. The Health Office's coordinate with various agencies, including the PTA, community organizations and others to assist families during the Holidays and at other times as needed. It is now time to begin to gather the list of potential needs for this year.

If you, or someone you know, will be in need of support or assistance during this time (or at any other time), please feel free to contact the health office. To simplify the process, please complete this form and return it to the school health office. You may e-mail it to [healthservices@onteorak12.ny.us](mailto:healthservices@onteorak12.ny.us) The information contained will be kept confidential.

Please return this form as soon as possible. Please note if you would like assistance for coats, food, holiday gifts, or school related items.

If we do not receive this form, you will not be on our list for any assistance.

Thank you,

Onteora School District Health Office Staff
