A bit about me...

Professional Experience: This is my 6th year at Lakeside Elementary and my 15th year as an Elementary School Counselor. I have my bachelors degree in Psychology from UW Green Bay and my masters degree in Counseling from UW Oshkosh.

Personal Info: I have lived right down the road from Lakeside for 13 years and all three of my children attended Lakeside. I now have kids at all three levels in the Oshkosh School District. In my time outside of school I love spending time at the lake with my family out on the water and watching my kids play softball.
