

# Mrs. Davis

2<sup>nd</sup> Grade

Room 114

Welcome to Second Grade in Room 114. I am so lucky to have the opportunity to know you and your child. Your child and I have an exciting year ahead of us.

I'd like to share a little about myself. I am a former student of Jacob Shapiro, South Park, Oshkosh West, and a UW-Oshkosh graduate. I recently graduated with my masters in Reading. I am married and have two sons. My oldest son, Trenton, is a freshman at UW-Oshkosh and Trevor is a freshman at Oshkosh West. My husband, Eric, works at the Oshkosh YMCA. Our family is pretty active. You can usually find us at either PTO events, baseball games, or at a concert.. We have two dogs, Nala and Jasmine.

I enjoy scrapbooking, playing softball, spending time with my family, and going on our yearly vacation to Walt Disney World.

This is my 20<sup>th</sup> year teaching at Lakeside. I have been teaching 2<sup>nd</sup> grade since I started here and love every minute of it.

In 2nd grade we will learn many new things in Reading, Writing, Math, Social Studies, and Science. 2nd graders get to learn how to create documents on the Chromebooks and learn how to read and write cursive!

I can't wait to meet all of you! Please make sure to introduce yourself to me at either registration or open house.

Sincerely,

Mrs. April Davis
