

Welcome to Second Grade!

Hello 2nd Graders and Families,

My name is Ms. Tigert and I will be your 2nd grade teacher this year. This will be my third year teaching 2nd grade at Lakeside Elementary. This year is going to be so much fun as we are going to be learning many new things and really growing as individuals. I am excited to see the growth you will make this school year. We have so much planned and I can't wait to get to know you and your families.

About Me:

I can't wait to learn all about you, but first here are a few things to know about me.

I grew up in Oshkosh. I have an older brother and a younger sister. As a student I loved being in the classroom. I loved going to school with my mom because she is a teacher as well. This is where my love for being in the classroom started.

I graduated from the University of Wisconsin- Green Bay in 2017 with my Bachelor's Degree in Elementary Education. After graduation I spent a month traveling through Europe. Any chance I get, I like to travel somewhere new.

This summer I bought my first house and have spent a lot of time with projects around the house.

I am so excited to start the school year and get to know you and your families.
