#welcome to fifth

Hello 5th grade families! I am so excited to get to know you all this year! A little bit about myself.. this is my 6th year of teaching and I have taught all of those years here at Lakeside. I am also a former student of Lakeside and was born and raised in Oshkosh. I live with my boyfriend who is a pilot and my silly little Morkie pup, Sully. In my free time, I enjoy spending time outdoors whether it is camping, swimming, boating, hiking, fishing, etc. I love to cook and bake as well as get creative with DIY projects. I also have a great passion for traveling. I spent a lot of time reading this Summer and can't wait to share book suggestions with my students! I am also a huge Packers fan- GO PACK GO!

As a former student at Lakeside, I am very passionate about this school and its family-centered community. Teaching is not just my job; it's my passion and my calling! I am so excited to begin another fabulous year with a brand new fifth grade class. I am confident this year will be a spectacular one full of lots of learning, growing, and excitement! It is my mission to instill a passion and drive for learning within my students in order for them to become lifelong learners. Together, we will create a kind, interactive, and safe learning community in which we will work together and help one another succeed. We have so many exciting things in store for this year, and I can't wait to get started! Not only am I looking forward to meeting and establishing relationships with my new fifth graders, but also with their families. Please feel free to contact me at any time with questions or concerns. I believe communication between home and school is the key to a successful school year. I look forward to meeting you all and having a FANTASTIC year together! See you soon!
