

Hello! My name is Kristen Carmody and I am thrilled to be joining Lakeside Elementary this coming school year as a third grade teacher. I am originally from Sturgeon Bay, WI, and graduated from St. Norbert College in 2010. In my free time I enjoy hiking, camping, traveling, and spending time with my dog, Penny. This summer, I moved from Denver where I had been located for the past four years. I'm excited to be in the Oshkosh area and back to my Wisconsin roots.

For the past few years I have been a second grade homeroom teacher, but I have previously taught third grade for two years. As an educator I strive to create a caring and engaging learning environment where students are encouraged to believe in themselves and to do their personal best. This year will be filled with many fun and challenging projects and tasks. I have high expectations for all of my students, and I am committed to assisting them in meeting their personal and academic goals. I believe a good parent-teacher relationship is very important for student success. I will be sharing the best way to get in contact with me if you have any questions or concerns.

I look forward to a wonderful school year with you and your child. I can't wait to meet all of you and become part of the Lakeside community!
