Dear parents and families,

The summer break is quickly winding down, and the team at Celia Clinton looks forward to seeing your child during Back to School Week (Monday, August 31 - Friday, September 4).

During Back to School Week, Celia Clinton students will have a chance to begin building relationships with their teachers and get the tools and resources they need to participate in distance learning. Your child will also get started on our online platforms and learn about our distance learning classroom routines.
