Join us in helping to provide high quality technical assistance and professional development training to child care providers and families throughout our area. The Early Childhood Academy's Resource and Referral Center is located on the Northwest Mississippi Community College campus in Senatobia in the basement of the Berry building and serve child care providers and families in Tate, Panola, Marshall, Desoto, Quitman, Tallahatchie, Lafayette, Yalobusha, Tunica, Grenada and Calhoun counties. Services offered include: Professional development classes, technical assistance, referral services, resource lending, and monthly engagement activities. We serve parents and families, early childhood workforce childcare providers and community partners.

Learning materials, books, and many other items are free to check out for a scheduled return. These items are motivating, engaging and help to foster a love of learning and promote school readiness.
