Student Controls in Zoom

| Turn the microphone on/off. Unmute mic only when it's your turn to speak	Turn webcam on/off	Raise your hand or view who else is in the Zoom	Join the chat discussion or share links	Share your screen when it's your turn to present	If allowed voting / clapping emojis here	Leave the meeting at the end of class

Raise and Lower Hand

Under Participants, you can find the icon to click to raise your hand. It is important to click the hand again if your questions were answered or if a raised hand is no longer needed.
