

Bridgewater-Raritan Regional School District

Technology Department

STAR Technology 2020-2021

Dear Parents and Guardians:

The Bridgewater-Raritan Regional School District can provide personal insurance for your student's district issued chromebook at \$50.00 yearly. Payments can be made directly to the district through mypaymentsplus.com or by check by September 31, 2020. The insurance will provide no-cost repairs to accidental damage to your child's district issued chromebook.

In the event of theft, vandalism, or other criminal acts, a police report MUST be filed by the student or parent within 24 hours. If the device is not insured the full price of the repair will be invoiced to the parent. Below is a range of repairs and prices.

Device	Cost of Repair without Insurance
300e G1 LCD	\$169
300e G2 LCD	\$159
300e G1 Logic Board	\$129
300e G2 Logic Board	\$129
Keyboard	\$79
Bottom Cover	\$79
Front Camera	\$59
Hinge	\$69

In addition to your child's assigned chromebook, the district has purchased additional chromebooks. These "loaner chromebooks" will be secured by our technology department and will be utilized if a problem arises with the student assigned chromebook. Students will be permitted to use loaner chromebooks until their original chromebook is repaired. Loaner chromebooks are inspected and cleaned prior and post student use.

Best Regards,
The Technology Team.
