

Duncanville ISD

Meal Service Procedures for Virtual Learners

Effective Sept 8, 2020

Virtual learners for Duncanville ISD will have the opportunity to receive a weekly meal bundle through contactless curbside pickup at the student's home campus. However, if you have students at different locations, meals can be obtained at one campus of choice.

Each student will receive a meal bundle that consists of whole grains, fruits, vegetables, protein, and milk.

Meals must be pre-ordered each Wednesday by 1:30 PM for the following week. Parents/guardians can call or email your child's campus cafeteria manager to reserve your meals. (See the campus information below). Please note: **The first week of school meal orders must be placed by September 2, 2020**

Please provide the student's name, grade and ID number. Meal pick up day is Tuesday from 10:30 AM - 12:30 PM at all campuses. In an effort to reach as many students as possible, we will also have an evening pickup from 4:30 PM to 7:30 PM at Merrifield only. All meals picked up in the evening must be pre-ordered through Merrifield Elementary. Meals will not be distributed on student holidays. Each bundle will consist of five breakfast meals, and five lunch meals.

- All students will continue to receive FREE breakfast
- Free students: All lunch meals for the week will be free
- Reduced Students: \$2.00 a week for five lunches
- Paid Students: \$15.00 a week for five lunches

Students do not need to be present during pick up, but please be prepared to provide student identification such as ID cards, or a past report card.

Duncanville ISD highly encourages prepayments this year instead of parents bringing money to the school. For your convenience please set up an account at www.schoolcafe.com.
