Dear Palos South Families,

As we look forward to the upcoming school year, we know that families have questions regarding what the remote learning school day will look like for students. To provide families with detailed information about what to expect during remote learning days at Palos South, we have created the following video message. Please also take a moment to review the full remote learning schedule presentation. These items and additional information can be found on the Remote Learning Resource Page on the District 118 website.

Sincerely,

Dr. Ron Cozza, Assistant Superintendent
