# Order Ahead Flow

Displayed in the mobile app, also available on the website

Check out Procedures:

1. Review your cart. If you did not already set up a user account, you will be prompted to create after clicking the cart. Each person who will be placing orders needs to create their own account. You can set up individual student profiles if you have more than one student in your account.
2. Review your order. Ordering for someone else? You can indicate who the order is for during checkout.
3. Place your order. You will receive an email confirmation.

**Please set your app settings to accept push notifications so we can remind you to place your orders before the deadline!**
