

## MEET MISS PUIG AND MS. LARINO

*We are so excited to be your 4th grade teachers!*

*It is going to be a new year full of new friends, new adventures, and new discoveries.*

I am so excited for this school year and to be your teacher! This will be my first year teaching at JMI. I studied Elementary Education and English Literature at Kean University. I am so happy that I get to join the JMI community.

I have been part of the JMI Community for 7 years now, and previously taught middle school in Edison. I have had the privilege of teaching different ages and grade levels, each with their own unique characteristics, and have enjoyed them all. I look forward to being part of your 4th grade journey!
