School records for grades 1-8 are due after semester grades are recorded, no later than February 1, 2021.

Getting Started

At SF Day, we use the online admission portal, Ravenna. To explore the school and/or begin your application process, please create an account with Ravenna. From Ravenna, you will be able to view and register for the *virtual* admission events below. We look forward to learning more about you and your family!

To explore or apply, visit: www.sfdayschool.org/admission 

This year, we have created a range of safe, virtual opportunities for you to get to know our school. Below is a list of virtual events you may consider joining in order to familiarize yourself with SF Day and help us get to know your family as well.

Admission Office Hours: September-October (Optional)

Connect with the Admission Team! Office Hours will be available for informal check-ins to answer any questions you may have about the process.

Intellect + Imagination Events: October-December (Recommended)

In place of traditional tours, SF Day has designed these virtual events for families to learn about San Francisco Day School and how our school intentionally creates experiences that bridge intellect + imagination.

Open House: Saturday, November 7, 2020 • 10:00-11:30AM (Recommended)

SF Day will offer one virtual Open House; a wonderful opportunity to meet the administrative team and hear from our teachers about their best-practices led approach to teaching and learning at SF Day.

Discounted Tuition Informational Meeting (Optional)

Session 1: November 18, 2020 • 10:00-11:00AM

Session 2: December 15, 2020 • 4:00-5:00PM

SF Day is committed to ensuring our program remains accessible to families from a broad range of economic circumstances - nearly 1 in 4 students participates in our tuition assistance program. This meeting provides more information about the process and what the program entails.

Windows & Mirrors Reception: December 3, 2020 • 5:00-6:30PM (Optional)

Join us at this virtual event to learn how SF Day embraces diversity, equity, and inclusion to ensure all voices are heard in our community.

Community Connections: November-December (Optional)

In this series of virtual gatherings, SF Day community members will discuss various topics and share their perspectives, which will help you understand how the role of community inspires and empowers our individual and collective growth. These webinars will be recorded for those unable to attend; details and dates will be shared throughout the season.
