

Dear Upper Sixth Parents

We are very much looking forward to seeing many of your children next week for the Progress Checks; this email message is to confirm the Beginning of Term Arrangements for the week commencing Monday 7th September.

Upper Sixth students (who have not by then, as International boarders, already returned) **should arrive at their houses on Tuesday 8th September at 6:00 pm.** The Year Group will sit down for an informal supper (smart casual) in the LRH at 7.00 pm.

Term will begin at 8:50 am on Wednesday 9th September with a Virtual Headmaster's Assembly taking place in Tutor Groups and academic lessons commencing at 9:50 am (period 2).

As part of our priority to minimise risk and promote the health and safety of all members of the community, one of our key principles in preparing for this coming term has been to re-open our boarding operation carefully and gradually. To that end, while Traditional and Weekly Boarders will board from the start of term, Contemporary Boarders will start boarding during the second week of term. With the increased domestic requirements in particular, we have judged this to be a crucial part of ensuring that our return to a complete boarding operation is as safe as possible for the whole school community. If anyone will find this very difficult during the first week, please communicate directly with your HM, as individual arrangements may be possible. Contemporary Boarders are encouraged to take up additional nights later in the term in place of the missed boarding nights during the first week.

As per previous communications, the term will commence with students wearing **washable school uniform** (without jackets and ties).

Parents and students are reminded of the importance of bringing a **Chromebook**, Laptop or similar device (with appropriate charger), which will be essential as teaching and learning resources will continue to be digital.

As many of you will know, on Wednesday the Government published new guidance as regards **face coverings in education**. In line with this guidance, Felsted will continue with the previously published approach, which is that any pupils who would like to wear a mask in school should do so.

Given the fluidity of the current circumstances the school will not be producing a printed **calendar** for the Autumn Term; an electronic version will be available on the website next week.

For your reference please find attached a copy of the summary of the school's measures for safe reopening of the school, which was sent to parents at the end of July. For more detail please view the Health and Safety Measures brochure on the school website:

We are very much looking forward to seeing you back at Felsted for the start of this new academic year and your final year at Felsted!

Best wishes

Dear Lower Sixth Parents

We are very much looking forward to seeing you back at Felsted for the start of this new academic year. I am writing to confirm the Beginning of Term Arrangement for the week commencing Monday 7th September.

Lower Sixth students (who have not by then, as International boarders, already returned) **should arrive at their houses on Monday 7th September at 11.00 am** (wearing washable school uniform, minus jackets and ties).

Although under the current Covid-19 operating procedures parents are not allowed into school buildings, on this one occasion, for pastoral reasons parents of new pupils will be able to accompany their child into boarding houses to unpack and settle them in. Parents will leave by 12noon and the Lower Sixth Induction Programme will commence at 12:30 pm. As part of this, on the Monday evening all pupils will enjoy a welcoming BBQ in houses and all boarders will stay overnight. Lessons will commence on Tuesday morning for the Lower Sixth, followed by Activities in the afternoon.

As part of our priority to minimise risk and promote the health and safety of all members of the community, one of our key principles in preparing for this coming term has been to re-open our boarding operation carefully and gradually. To that end, while all Lower Sixth boarders will stay overnight on Monday 7th September, Contemporary Boarders will not board for the remainder of the first week and will start boarding during the second week of term. With the increased domestic requirements in particular, we have judged this to be a crucial part of ensuring that our return to a complete boarding operation is as safe as possible for the whole school community. If anyone will find this very difficult during the first week, please communicate directly with your HM, as individual arrangements may be possible. Contemporary Boarders are encouraged to take up additional nights later in the term in place of the missed boarding nights during the first week.

As per previous communications, the term will commence with students wearing **washable school uniform** (without jackets and ties).

Parents and students are reminded of the importance of bringing a Chromebook, Laptop or similar device (with appropriate charger), which will be essential as teaching and learning resources will continue to be digital.

As many of you will know, on Wednesday the Government published new guidance as regards **face coverings in education**. In line with this guidance, Felsted will continue with the previously published approach, which is that any pupils who would like to wear a mask in school should do so.

Given the fluidity of the current circumstances the school will not be producing a printed **calendar** for the Autumn Term; an electronic version will be available on the website next week.

Returning students are reminded that textbooks from year 11 belonging to the school must be brought in and returned at the start of term.

For your reference please find attached a copy of the summary of the school's measures for safe reopening of the school, which was sent to parents at the end of July. For more detail please view the Health and Safety Measures brochure on the school website: felsted.org/covid19.

We are very much looking forward to welcoming you as you embark on your Sixth Form experience at Felsted.

Best wishes
