

MOUNT ST. DOMINIC ACADEMY,
established by the Sisters of St.
Dominic of Caldwell, is a Catholic,
college preparatory school for young
women. We are dedicated to the
education of young women from a
variety of ethnic, religious and
economic backgrounds.

The Mount community is committed to seeking the Truth
in all aspects of life. The students are able to realize their
individual gifts and talents in an atmosphere that fosters
academic excellence, respect for diversity, appreciation
for the gifts of creation, moral integrity and a heritage
rich in Christ-centered values.

ON BEHALF OF THE LEADERSHIP COUNCIL of the Sisters of St. Dominic and the Board of Trustees, I am happy to present you with our 2018-2019 Annual Report. This report symbolizes the conclusion of another memorable year. Throughout this report, we will share information about the generous philanthropic support we have received from so many throughout our community—donations to the Mount Fund and to our annual Day of Giving. We also take this opportunity to acknowledge the members of our community who give so willingly of their time and talents; from the leadership of the Sisters of St. Dominic, to the Parents' Association, to our faculty and staff, to all the alumnae and committees that worked so tirelessly to ensure the success of our school.

This past year our students have gained a global perspective by partnering with Seton Hall Prep, when students from Chongqing, China, were invited to New Jersey to experience what it means to be a "Mountie", a "Pirate," and generally speaking—an American teenager. As our visitors departed, three sophomores prepared to set off on their adventure. They traveled to China to be immersed into the life of Chinese teens. Continuing our partnership with Seton Hall Prep, the Pirates 5992 Robotics Team competes regionally and nationally with the robot built by the students. For the twenty-first year, four of our students participated in the Dominican High School Preaching Conference to learn and come home to share Dominican traditions. Our Siena Service Program continues to expand the day to day experiences to mission trips. This past year our students traveled to Camp Sunshine in Maine, a camp for terminally ill children and their families to give of their time and talents in supporting the children and their families. August found six of our young women traveling to McAllen, Texas to work at the respite center sponsored by Catholic Charities. While in McAllen, they had the opportunity to experience a Youth Group meeting as well as meeting with Maryknoll Sisters working with immigrants.

Rigorous course offerings, clubs and service projects, and exciting sports and performing arts opportunities—all benefit our young women because you give of your gifts of time, talents and treasures. I hope you share our pride in watching the Mount grow with the promise our students bring to the future of our world. On behalf of the entire Mount community, thank you.

May God Bless you,

MOTHER CATHARINE SOCIETY

Where would the Mount be today if Mother Catharine Muth had not planned for the future? Mother Catharine was prioress of the Sisters of St. Dominic in Jersey City during a tuberculosis outbreak in the late 1800's. She had the foresight to move some of the sisters to a hilltop in Caldwell and to establish an educational institution, Mount St. Dominic Academy. Mother Catharine wanted to ensure that the good works of the Sisters of St. Dominic would continue long after she was called home to God. The Mother Catharine Society recognizes those who share her vision and support the Mount into the future with a planned gift.

You can become a permanent member of the Mother Catharine Society by making a planned gift to the Mount, such as naming the Mount as a beneficiary in your will or life insurance policy or by establishing a life income trust, gift annuity or other special deferred gift plan. These gifts bolster the financial strength of Mount St. Dominic Academy so that our mission of educational excellence and empowering young women endures for generations to come. Want to know more about planned giving? Please visit our website, www.msdacademy.org, and click on the Donate button. If you have already included the Mount in your estate planning, please contact the Development Office (ttaylor@msdacademy.org or 973 226.0660 ext. 1130) so that we can include you in this society. If you prefer, your membership can remain anonymous.

There are so many ways to give to the Mount. For more information on these (and ways to honor or remember someone special) contact the Development Office.

CORPORATE MATCHING GIFTS

You can make your gift to the Mount work harder simply by filling out a short form. Many employers offer to match charitable donations made by current and retired employees. Contact your Human Resources department to learn the details of your company's Matching Gift Program.

SECURITIES

A gift of appreciated stock is as beneficial to the Mount as a cash gift and may provide you with significant tax advantages. The process is simple. Please contact the Development Office for more information.

PLANNING FOR THE FUTURE

Including Mount St. Dominic Academy in your will or as a beneficiary of life insurance is a thoughtful way to contribute to the Mount's future. By doing so, you will become a member of the Mother Catharine Society. If you have already done this or would like discuss it further, please contact the Development Office.
