READING CONNECTIONS MONTHLY NEWSLETTER

Reading is one of the most important skills to ensure success in school. At the beginning of each month we will include a Reading Connections Flyer in this newsletter. The beginning edition applies to students in grades kindergarten – 2nd. The intermediate edition is intended for 3rd grade. We hope these will serve as a source for ideas to use at home to help your student increase their literacy skills. Click on the red bar below to access this information. Happy reading!
