

Student schedules for the 2020-2021 school year are available to view on the Campus Parent/Student portal.

Parents and/or students may access their schedule by logging into [Campus Parent or Campus Student](#). Click on “Schedule” on the left hand side to view the schedule.

To view a PDF copy of the schedule, click on “Documents” and then Student Schedule to pull up the PDF.

Please review the schedule for accuracy. If you notice a need for a course change, complete the [schedule change request form](#) and submit by Friday, September 4. After that, schedules will be finalized for the start of the 2020-2021 school year. Courses will be changed ONLY if there is an obvious error on your schedule or for sound educational reasons as we must follow the Governor’s guidance for distancing/class sizes. **We are also only doing change requests for Trimester 1 classes** (a T2/T3 schedule review will come later).

Schedule changes will be considered for the following reasons:

- A clear error has been made (same class twice, wrong grade level, missing a core subject, etc...)
- A special services need is required (SPED/EL/504 Plan)
- A graduation requirement is needed in the schedule for a senior

Schedule changes will not be made for the following reasons:

- Requested change would exceed class size capacity for health and safety requirements
- Requests for a specific teacher, class hour or to be scheduled with friends
- Requests to change an elective course will ONLY be considered if it fits in the schedule and does not exceed class size capacity (following the Governor’s guidance for distancing/class sizes).
