

SAINT JOHN'S CATHOLIC PREP (SJCP) ATHLETICS COVID-19 Return to Play Protocol

- Athletes will drive separately to and from off campus practice and match site.
- Hand sanitizers will be provided for all coaching staff and players before, during, and after practice and/or match.
- Temperature check and CDC questions for all Athletic staff.
- Disinfectant wipes and/or spray will be used on shared equipment before, during, and after practice and/or match.
- Personal protection equipment (PPE), when needed (in other words, participants should bring their own), will be made available to all participants, and all coaches must wear same when within 6' of the participants.
- Coaches will integrate all social guideline protocols into their practice plans. **NO** huddles that don't integrate social distancing guidelines. **NO** high fives. Players are to bring their **OWN water bottles** and extra water if they anticipate needing more.
- Any athletes who are sick, even if their temperature is within the CDC limits, will not be allowed to participate that day.
- Participants may not congregate post-practice or post-match.
- Were a Viking to endure exposure and/or contract COVID-19, SJCP will follow all CDC guidelines going forward, and report same to site managing entity immediately.
